I-20/F-1 Visa Request Process and Instructions:

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport
2. Financial documents that meet the following criteria to avoid denial of your request:
 - Dated within 9 months of the program start date
 - Maturity date does not exceed the program start date
 - If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account, and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to mail to us your official transcripts (or their equivalent) to complete your official admissions file. Official transcripts are those that are sent from your previous institution directly to Northeastern University. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. Mail to:

If your documents are in a language other than English, arrange also to send to us official English language translations. Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned.

Health Insurance:

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information,
<http://www.northeastern.edu/uahcs/>

Immunization Requirements:

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form:
<http://www.northeastern.edu/uahcs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the **University Health and Counseling Services Center** for further information.

On-Campus Housing:

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site,
<https://www.northeastern.edu/housing/university-housing/>

Off-Campus Housing:

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/> This free service requires account registration with your Northeastern e-mail account.
